OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE,
Bangalore, 10th May 1902

H J BHABHA, Esq.,
Inspector General of Education in Mysore,

To

H V Nanjundaya Esquire M A, M L
Secretary to the Government of Mysore in the
General and Revenue Departments
Bangalore

SIR,

I have the honour to inform you that on the retirement in 1900 of B Mallappa Headmaster of the Taluk Kannada School Mysore the services of Mr B Rama Rao M A. were engaged on Rs 50 in his place The Taluk Kannada School is the practising school and Mr Mallappa though he drew his pay on the establishment roll of the Taluk School worked solely since the establishment of the Normal School in the Kannada Pandits' Classes His successor had therefore to be appointed with reference to his qualifications as a teacher of the Pandits' Class The opportunity was

was seized to appoint a Master of Arts
who had passed the M A Degree Examination
in Kanarese and Telugu and who had
earned some reference in teaching Kanarese
terature in the 15 th Classes of Schools
ere we ran instituted the intention
formed of them in 15 Esma Row is a
ive of the Bombay Presidency and has
friends or relatives in Mysore soon
after he came to Mysore he found his
way to the management and during the
troubles Caused by plague epidemics in
Mysore he has suffered not a little.
He was dissuaded from resigning his post
in last December in the hope that Govern-
ment would improve his pay and position
from the commencement of the next official
year Under these circumstances I request
that Government may be pleased to place
Esma Row on the establishment of the
Normal School in Class C IV and start
him on Rs 80 from 1 July 1902

(2) A somewhat similar case is that of Muzaffar Hassan Khan Moulvi Fazil of the Panjab University whose services were engaged from April 1901 as the Senior Arabic Teacher for the Moulvis' class established last year in the Mysore Normal School Muzaffar Hassan Khan possesses the highest vernacular degree of the Panjab University and was specially recommended for his post by the Principal of the Oriental College Lahore He is probably the best Arabic and Persian scholar now in Southern India He accepted the post of Moulvi in the second grade of Munshis on Rs 30 rising to 45 by annual increments of Rs 3, but finds living in Mysore dearer than in the Panjab, and since coming here he has had to undertake twice long journeys to his native place His present pay of Rs 33 is insufficient for him He has

proved an excellent [illegible]

Kept himself aloof from all party and religious strife among the Muhammadan of Mysore I request that Government may be pleased to raise Moulvi Mazzfar Hassan Khan's pay to Rs 45 the maximum pay of his grade with effect from 1 July 1902

3 As the cost of the Normal School is divided equally between State Funds and the Village School Fund, the increased cost of the above promotions will be borne equally by the two classes of Funds.

I have the honour to be,
Sir,
Your most obedient servant
R Venkata Rasu Ayyar
for Inspector General
